HAMMERSLOUGH BROS.

Makers. Wholesalers. Retailers.

We haven't a phrenologist about the premises, but if we had, we think he'd say that most of our customers are pretty level-headed.

We think they're that. Any man is level-headed who buys where he can buy the cheapest; and if that isn't here, where is it?

Good clothing only. We make no other sort.

Open to-morrow evening till 9.

MARK. TRADE.

Four Christmas Caws'

A New Pen. (Standard one-third.)

A New Pen Principle.

why Caw's Safety Fountain Pen is the best Xmas Present.

CAWS' 1. It never leaks —the only pen you can carry upside down in your pocket or lose in shopping bag without danger—the "safety" reservoir is air-tight and ink-tight.

CAWS' 2. It never dries up —the pen, immersed in ink, is always ready for duty—the ink flows regularly—never too much, never too little.

CAWS' 3. Useful Ornamental Economical —the recipient, delighted with its beauty and utility, exclaims, "Just what I wanted!" and the giver is happy; 'so appropriate and acceptable, at so small a cost.

CAWS' 4. Four Persuasive Prices No. 40 "Universal," 14-kt. gold pen. \$1.00 No. 101 "Diamondway," 14-kt. gold pen. 2.50 No. 301 "Safety," 14-kt. gold pen. 3.00 No. 301 "Safety," gold-mounted holder, 14-kt. gold pen. 3.00 Furnished in fine, medium and stub points.
